OLUG - Omaha Linux User Group presents the

Summer Linux INSTALLFEST

Saturday, July 16th 2005
12 - 6 PM

AIM Institute - Clarkson College
44th & Douglas

Tired of Blue Screens on your PC? Want something different?
Why not install Linux on your computer, and
join the millions who already have done so.
We're here to help!

On Saturday, July 16th, 2005 the Omaha Linux User Group is presenting their
Summer Linux INSTALLFEST. Linux professionals and hobbyists will be available to
help you install, setup, and get to know the basics of Linux.

A keyboard, monitor and mouse will be available for you to use,
there is no need to bring your whole setup.
OLUG Volunteers will be available to help answer your questions.

To RSVP and for More Information,
please visit our website at http://www.olug.org

**OLUG Meets the First Tuesday of every month
At the AIM Institute – Clarkson College
44th and Douglas**
Please share this flyer with others.
