

OLUG - Omaha Linux User Group presents the

# **2025 Linux INSTALLFEST**

**Saturday, Aug 16th 2025  
10 - 4 PM**

**AIM Brain Exchange  
1902 Howard St, Omaha NE**

Tired of Blue Screens on your PC? Want something different?  
Windows 10 is ending support in October 2025!?!

Why not install Linux on your computer, and  
join the millions who already have done so.  
We're here to help!

On Saturday, Aug 16th, 2025 the Omaha Linux User Group is presenting their  
2025 Linux INSTALLFEST. Linux professionals and hobbyists will be available to  
help you install, setup, and get to know the basics of Linux.

A keyboard, monitor and mouse will be available for you to use,  
there is no need to bring your whole setup.  
OLUG Volunteers will be available to help answer your questions.

**To RSVP and for More Information,  
please visit our website at <http://www.olug.org>**

**OLUG Meets the First Tuesday of every month  
At the AIM Brain Exchange  
1902 Howard St, Omaha NE  
*Please share this flier with others.***
